How to Log In to Virtual Desktop

Purpose: This document will show how to download and install the VMWare

Horizon View client. Using this client program, you will be able to log in to your virtual desktop to complete assignments and labs without having to download software.

Needed: You will need:

Connection to Internet Web

	(R				
			11028.1	WI	
		Ta ^M usaan			
	and a the second second	an in in in the state	dw <mark>n</mark> ið
