

General Education Council (GEC)
August 18, 2020
Teams Meeting
12:30 p.m.

MINUTES

- I. Welcome
 - Attendance was documented based on those members who typed their name in the chat box. (Attendance attached, quorum present)
 - Introductions of members were made.
- II. Approval of past minutes
 - Minutes of the February 12, 2020 meeting by Brendan Callahan motioned to approve and Tanja Link seconded. The minutes were approved as written who voted in favor
- III. New Business (Power Point attached)
 - Fall online meeting procedure discussion (Recommendations attached)

Tom Doleys commented that in the absence of GEC by is there any allowance in the recommendations for anonymous voting was explained that any anonymous voting would have to be done outside of a meeting and set through an electronic ballot or Qualtrics survey method. However, members represent their discipline and not themselves; and in transparency, all curriculum voting should be public.

The virtual meeting recommendations were reviewed and discussed. Brian Starks suggested the sentence be modified for better clarification (see the attached modification in red). Brian Starks motioned to approve and Tanja Li seconded. The recommendations were approved as modified, voted in favor.

The UPCC has received these same recommendations for modification and adopting at their upcoming meeting on August 27, 2020.

GEC Recommendations for Virtual Curriculum Committee Meetings

For the Fall 2020 semester, UPCC, GPCC, and GEC meetings will be held virtually using MS Teams (Spring 2021 has not been determined). Each committee should review and discuss these recommendations and finalize a document of protocols the committee has voted to abide by. This document will become an official record included with the first meeting minutes.

Technology

MS Teams will be used because it is the university supported system and can be accessed on a computer or mobile device. For meetings to run smoothly, norms must be established for everyone to follow:

Expected Behavior

- Join Meeting early when possible.
- Open the Chat Box (but keep comments related to the meeting content and voting).
- Type your name in the Chat Box to be recorded for attendance.
- Mute your mic and turn-off your camera when you are not speaking. (This will assist with bandwidth issues.)
- The “Raise Your Hand” feature will be used to request to speak.
 - You need to have the full screen shown to see the “raise your hand” icon.
 - Click the icon and wait for your name to be called.
 - Lower the “raise your hand” icon when you are finished.
 - If you are not called upon in a timely manner, speak during the next pause in the discussion.
-

screen sharing access for someone who wishes to present or share a separate document during the meeting can be prearranged.)

- Role 3 – Meeting Recorder (usually the Secretary). This individual will:
Record the attendance of the members who self-identify in the Chat Box. (It will be the responsibility of each member to type their name in the Chat Box in order to be counted.)
Visitors who will be presenting need to identify themselves as well (through the Chat Box) to be captured for the minutes.
Other visitors do not need to be captured for the minutes.

Voting Process

- Voting on curriculum proposals (or other matters) can be done through the Chat Box.
 1. Everyone will type their name and any action in the Chat Box. (The Chat Box 0 (f)3 (or)3 (t)-2
