POSITION DESCRIPTION

The Graduate Residence Director (GRD) at Kennesaw State University is a graduate, 10-month commitment as a live-in staff member within the Department of Housing and Residence Life. The GRD GA position is a 20-hour per week position. The GRD will work alongside professional staff to create a residential experience for our Living-Learning Villages (LLVs) and overall, on-campus experience. In conjunction with professional staff, they will coordinate the administration of our LLVs with responsibilities, including but not limited to developing, implementing and assessing initiatives for LLVs; developing promotional materials and website content for LLVs; serving in the on-call rotation and other administrative and departmental responsibilities. The GRD position requires a strong work ethic, a positive attitude and enthusiasm for the residential experience on a college campus. This position includes afterhours time commitments that are congruent with the traditional residence life philosophies of a live-in role.
