

1. We want YOU to do the talking, and we would like everyone to participate. Please speak one at a time.
2. There are no right or wrong answers. Say what's true for you and the courage of your convictions. Everyone's experiences and opinions are important. Speak up whether you agree or disagree. We want to hear a wide range of opinions.
3. Don't let the group sway you, and don't sell out to group opinion or to a stranger. It is ok, though, to change your mind during the course of the session because of something you hear or see.
4. Listen actively and respect others when they are talking. Please avoid side conversations with your neighbors and please silence all cell phones.
