Click on the   on the TCPS website to access Orientation:

                                   - Choose your orientation based upon your
Review all content by clicking on each   starting with the instructions!

There are 5 content modules in the   . You may
review the multimedia lecture or download a script to read. Most students will spend
2-3 hours completing General Orientation!

As a part of General Orientation, note that you will take 2 Quizzes: The FERPA
Release/Confidentiality Agreement, & the General Orientation Quiz for your Role. To
take the quiz click on the link. A   with a login area.

– For students, this is the code you use to register for classes, access your grades, etc. It is generally a letter with some numbers but may be a number with several leading zeros. Be sure and enter the ENTIRE student ID! If your school does not use student IDs, check with your faculty to determine what code you should enter!
